Forecast for Sunday 29 Dec 2024

Weather: Cloudy but mainly dry for the Mourne mountains on Sunday, some bright or sunny conditions are likely from late morning when any mist or fog has burnt back, turning cloudier later in the day with a risk of some drizzle in the west.

Chance of cloud-free hill tops above 700m: 40% improving to 90% during the afternoon, falling to 50% during the evening.

Low cloud and visibility: Scattered low cloud in the morning but this will soon lift and break. Cloud then mostly above the summits until the afternoon when low cloud layers will reform and shroud the summits by late afternoon. Visibility below the cloud will generally be good except in any drizzle.
